Examiner: Anand Rao

REQUEST FOR CORRECTED FILING RECEIPT

Filing Receipt Corrections
Office of Initial Patent Examination
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant hereby requests that a Corrected Filing Receipt be issued in the above-identified patent application. The official Filing Receipt received by Applicant, a copy of which is attached hereto, has an error in:

The Domestic Priority data does not contain the second U.S. patent application relied upon for domestic priority. The domestic priority of the Filing Receipt should be amended to :

-- THIS APPLICATION IS A CIP OF 09/881,065 06/15/2001 AND 09/956,971
09/21/2001 --.

The Preliminary Amendment filed December 21, 2001 provided the application number for the priority application filed September 21, 2001. Further, the domestic priority under 35 U.S.C. § 120 is hereby claimed for U.S. Patent Application No. 09/881,065, filed June 15, 2001, and U.S. Patent Application No. 09/956,971, filed September 21, 2001.

Applicants additionally request that all pertinent U.S. Patent and Trademark Office records relating to the subject application be changed to reflect this correction.

This request was previously made on February 8, 2002, but the correction was not made to the Filing Receipt. A copy of this previous request is also attached.

Dated: January 6, 2006

Respectfully submitted,

By 

Caroline J. Swindell

COMPUTER UPDATED

Date Mailed: 02/14/2002

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. **If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).**

Preliminary Class
382

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

Request for Acknowledgement of Non-Publication Request and
Request for Corrected Filing Receipt

Assistant Commissioner for Patents
Washington, D.C. 20231

Attention: Box PG PUB

Sir:

On October 18, 2001, a Request and Certification Under 35 U.S.C. § 122(b)(2)(B)(i) was concurrently filed with the application requesting that the application **NOT** be published. The Filing Receipt mailed October 30, 2001 acknowledged this Request. However, the Filing Receipt mailed January 7, 2002 ignored this Request and states that the application is now projected to be published on December 19, 2002. Copies of the Request and two Filing Receipts are attached.

In addition, both Filing Receipts do not include the second U.S. patent application relied upon for domestic priority. The domestic priority of the Filing Receipt should be amended to : --

THIS APPLICATION IS A CIP OF 09/881,065 06/15/2001 AND 09/956,971 09/21/2001 --.

The Preliminary Amendment filed December 21, 2001 provided the application number for the priority application filed September 21, 2001. Further, the domestic priority under 35 U.S.C. § 120 is hereby claimed for U.S. Patent Application No. 09/881,065, filed June 15, 2001, and U.S. Patent Application No. 09/956,971, filed September 21, 2001.

It is respectfully requested that (1) the Request for Non-Publication again be acknowledged and (2) a Corrected Filing Receipt be issued noting both (a) the non-publication of the application and (b) the corrected domestic priority.

Respectfully submitted,

Date: FEBRUARY 8, 2002

Reg. No. 41,289

Typed or printed name

This request must be signed in compliance with 37 CFR 1.33(b) and submitted with the application **upon filing**.

Applicant may rescind this nonpublication request at any time. If applicant rescinds a request that an application not be published under 35 U.S.C. 122(b), the application will be scheduled for publication at eighteen months from the earliest claimed filing date for which a benefit is claimed.

If applicant subsequently files an application directed to the invention disclosed in the attached application in another country, or under a multilateral international agreement, that requires publication of applications eighteen months after filing, the applicant **must** notify the United States Patent and Trademark Office of such filing within forty-five (45) days after the date of the filing of such foreign or international application. **Failure to do so will result in abandonment of this application (35 U.S.C. 122(b)(2)(B)(iii)).**
